Practice 11.2

Large companies are encouraged to adopt integrated reporting based on a globally recognised framework.

Application	:	Departure	
Explanation on application of the practice	:		
Explanation for departure	:	The Company is not required to comply with this requirement as it is not a Large Company.	
		Corporate information is disseminated via the Company's website and announcements made via Bursa Malaysia Securities Berhad's website. At present, the Board is of view that the Company's Annual Report is comprehensive enough for stakeholders to make informed decisions.	
		The current Annual Report also provides stakeholders with a fairly comprehensive overview on the Company's financial and non-financial information including future prospects. Components such as Management and Discussion Analysis, Corporate Governance Overview Statement and Statement on Risk Management and Internal Control form an integral part of the non-financial information.	
		Once the level of maturity of non-financial reporting practices is adequate and able to comply with global recognised integrated reporting standards, the Company will implement this as soon as it is practicable.
